Gary,

Sorry that I missed your call. I had been out of my office all day in meetings and calls. The last six weeks have been one crisis after the next but I hope that it will end this month.

I have downloaded all of the materials that I needed and have not been able to examine them but I will try to write up my review by the end of the month. I will be out of the office July 14 through 16 and July 21 and 22. Propose a time to talk and I will put it on my calendar.

Paul
